

Theodore W. Batterman Family Foundation Scholarship

Description

This scholarship is funded by a gift to the Fort Atkinson Community Foundation by the Theodore W. Batterman Family Foundation. Mr. Batterman founded the Spacesaver Corporation in Fort Atkinson in 1972. At the time, the high-density mobile storage firm had seven employees and only 10,000 square feet of manufacturing space in an old barn. Today, Spacesaver Corporation has two facilities in Fort Atkinson with over 358,000 square feet and more than 600 employees.

The Theodore W. Batterman Family Foundation annually provides a gift to the Fort Atkinson Community to support scholarships for promising young students.
